Installation of Meter, remote metering device, service lateral, backflow assembly, and town encroachment permit fees charged separately.

LEMO: Labor, Equipment, Materials & Overhead

Actual Cost: Requires Field Service Request and Estimate to be paid in full by Customer. Final amount may vary from original Estimate

Meter Size Changes: Size increases - Difference between fees for the two sizes involved based on fees at the time of the change in size. Size decrease and permanent removal - No Refund.

Note: District retains ownership of all materials. District is responsible for repairs from the main up to and including the meter or PID-maintained backflow prevention assembly only. It is the property owner's responsibility to connect to District meter at the shut-off valve.

Summary of Amendments to Schedule of Fees & Charges:
