

Anne Rice

Jan. 15, 2018

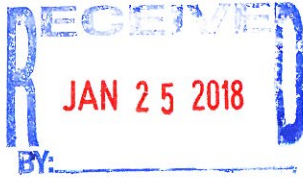

Please accept this letter as my request for a position on the Community Relations Committee. My background includes several positions in leadership and education, including public outreach. I have previously served on the Water Conservation Committee (PID) and was the original appointed public member.

I would like to continue my service to PID and to my community through participation on the Community Relations Committee.

Thank you

Board of Directors

January 22, 2018

Paradise Irrigation District

Dear Directors:

With this letter I am requesting the opportunity to serve as a public member of the recently consolidated Public Relations Committee. It is my understanding that the objectives of the Water Conservation Committee have been folded into "Public Relations". I have served as a public member of the Water Conservation Committee for two years and I believe I can continue to pursue conservation objectives within the structure of the consolidated committee.

I have very much enjoyed my working relationship with the board, committee members, and staff at the Irrigation District and look forward to continuing with our conservation efforts.

Sincerely;

Chuck Bell
