PUBLIC COMMUNITY MEETING

Presented by

Paradise Irrigation District

For updated information regarding

Paradise's Water System after the Camp Fire

Get an overview of Paradise's water system and the next steps towards recovery.

The Paradise Irrigation District (PID), supported by the Governor's Office of Emergency Services (Cal OES) and appropriate agencies, will provide an overview on the current status of the water systems impacted by the Camp Fire, what has been done, what the next steps are, and address questions from the community.

Partner agency representatives will be on-site following the meeting to answer survivor's questions.

Tuesday, March 26th, 2019
