

Door to Door Water Needs Survey Begins NEXT WEEK

Look for us in your Paradise neighborhood
Tuesday 4/23 thru Thursday 4/25

Our water.
Our future.

Paradise Irrigation District

Disasters are our business.
Veterans are our passion.

Team Rubicon and PID will be surveying all 19 square miles of Paradise next week to start the process of determining Paradise's water needs. The teams will be performing a door-to-door water needs survey April 23rd - April 25th, collecting data from current residents and verifying standing structures.

The survey takes about 5 minutes and will help PID and State & Federal support agencies plan for serving water to customers during the water system recovery process.

Don't worry if you miss us in your neighborhood next week. PID will have the survey available at the PID office once the door-to-door survey concludes.
