FOREWORD

The Paradise Irrigation District is a State Agency governed by a Board of Directors elected by the people. It operates under the authority conferred by the Water Code of the State of California. It makes no profit and is operated for the sole benefit of the lands and people within its boundaries. The benefits they can derive from it will be measured by the extent to which the people within the District and employees of the District cooperate to make it a success. Details of carrying out the Board's policies and desires are in the hands of full-time officers and employees who serve at the pleasure of the Board.

Employees of the Paradise Irrigation District are under Social Security immediately upon employment and are covered by the State of California Unemployment and Disability Insurance Program. The District has retirement, medical, dental, vision, life insurance and long-term disability plans for employees.

Employees are expected to be loyal to the District and are required to be friendly and courteous to the public and their fellow workers.

ARTICLE II Employee Organizations

- 1. The District may grant the exclusive status of a recognized employee organization to any employee organization which shall from time to time be designated by employees of the District as their representative on matters relating to employment conditions and other matters of employee-employer relations.
- 2. District may in its sole discretion ascertain and confirm from time to time by secret ballot or otherwise whether or not an employee organization holding the status of recognized employee organization is in fact entitled under the Government Code of the State of California to that status and in fact is the recognized representative of any employee.
- 3. Representatives of recognized employee organizations will be permitted access to District property to confer at reasonable times with District employees on matters of employer-employee relations, but such representatives shall not interfere with the work in progress, and shall request and receive the authorization of the District's General Manager or his representative before entering the premises.

No Steward shall leave their job without first obtaining the permission of their supervisor, which permission may be withheld by the supervisor if, in the sole discretion of the supervisor, their presence is necessary for the safe conduct and efficiency of the operations.
- 5. The District shall provide and permit recognized employee organizations reasonable use of the bulletin board at the District corporation yard.
- 6. District will deduct dues of a recognized employee organization from the compensation of employees who execute appropriate forms authorizing the deduction. - 7. The Union shall notify the District of any employee who has given the Union written authorization for deduction of any Union dues or fees. The Union certifies that it shall collect and will maintain records of individual employee authorizations for deductions of said dues or fees. A temporary employee will receive not less than the minimum rate for the job. A temporary employee may be terminated with or without cause, and their termination will not be subject to the Grievance Procedure. Temporary employees will not be eligible for any employee benefits herein provided, other than overtime at the rates and under the terms specified hereafter. The District shall not fill more than five Temporary Laborers at one time.

- b. Early Retirement: Employees that have reached age 55 with 20 years of service shall be eligible for medical insurance benefits as provided to employees for the employee and their partner upon retirement until normal full Medicare benefits become available for the employee. The District will contribute a percentage of the cost based on their age plus their years of service. The District contribution shall be as follows: 75 = 50%; 80 = 75%; and 85+ = 100%. The difference in District contribution and like coverage shall be borne by the ex-employee. Employee must be in good standing at time of termination or retirement and will not be eligible if terminated for cause. This benefit shall supersede any and all previous health plans made available for retired or terminated employees. ARTICLE IV

Wages and Other Terms and Conditions of Employment

A. Wages and Hours

- 1. The list of job classifications and applicable wage rates for the Paradise Irrigation District are set forth on Schedules A, A-1, B, B-1, C and C-1. Effective July 1, 2022, the salary schedule shall increase by 5%. Effective July 1, 2023 and every July 1st thereafter, up to and including July 1, 2026, the Salary Schedules shall increase by 2.5% as set forth in Schedules A, A-1, B, B-1, C. 2. On July 1, 2022, or upon both parties' ratification of this Agreement, whichever is later, employees shall receive a one-time off the salary schedule payment of \$2,000. This one-time off the salary schedule payment is subject to standard withholdings and is not considered base-pay.
- 3. As soon as administratively possible, the District shall secure a third party vendor to perform a compensation study including wages, and agrees to a wage reopener based on the results of that study.
- 2. All employees shall have their wages calculated and paid every two (2) weeks. Pay periods begin at 12:00 a.m. every other Saturday. Pay periods will be scheduled by the District to provide for pay checks to be issued every other Friday (one week after the end of the pay period) unless that day is a non-work day for the District forces, in which case the pay day shall be the last preceding work day prior to the non-work day.
- 3. Payment for part of any pay period for officers and employees who are absent from duty for any reason not authorized by sick leave, disability leave, accrued vacation time, compensatory time off, or by special permission for a particular reason or purpose, shall be paid the net number of days or portion thereof they work in the pay period concerned. In computing this, the net working days shall be determined by applying the hourly equivalent to the hours actually worked, as shown on Schedules A-1, B-1, and C-1.
- 4. Temporary workers replacing an absent regular employee or authorized by the Board of Directors may be paid at an hourly rate set by the General Manager using the Board of Directors approved Schedule of Classifications and Salary Ranges, Schedules A, B, and C.
- 5. The regular work hours for employees in field positions shall be eight (8) hours scheduled between 7:00 A.M. and 3:30 P.M., with one-half (½) hour off for lunch. A three-fourths (3/4) majority of the employees in field positions may ratify a change of regular work hours for their division to affect a "9-80s" schedule (i.e., employees would work eight nine-hour days and one eight-hour day during a pay period), subject to the consent of the District General Manager and the Union. A simple majority (>50%) may ratify returning the regular work hours for field positions to a traditional "10-80s" schedule (ten eight-hour days in a pay period, except as otherwise provided herein).
- 6. The regular work hours for employees in office positions shall be seven and one-half (7½) hours scheduled between 8:30 A.M. and 5:00 P.M. with one (1) hour off for lunch. Flexible hours for office staff have been instituted to accommodate personal needs and to

increase productivity. Flexible schedules must be worked out to attain 75 hours of work during each two week pay period. In accounting for hours during each pay period adjustments may need to be made for 7.5 hour Holidays. Office accounting, billing and customer service staff will compile a calendar monthly showing regularly scheduled days and hours off and must ensure that a minimum of two office accounting/billing/customer service positions are present during hours that the office is open without dependence on mid-management staff for coverage except for emergency situations. When scheduling anticipated absences such as vacation and sick leave for medical appointments the monthly calendar and office coverage must be considered. Scheduling must take into account District deadlines and regularly scheduled safety meetings. The duties of all accounting/billing/customer service positions must be covered on a daily basis. Overtime will be considered to be earned when, after approval of the General Manager, an individual works over 75 hours in the two (2) week pay period. Additionally, at the discretion of the District, overtime earned may be considered as compensatory time off, provided it is taken in a future pay period. The flexible hours program may be terminated at any time at the General Manager's discretion.

The regular work hours for person(s) filling the classification of Mechanic may be altered by the District to 6:00 A.M. to 2:30 P.M. provided four (4) days prior notice shall be provided to the affected employee(s).

The regular lunch period for all employees shall be scheduled as near as practicable to the mid-point of the work period as the work in progress shall reasonably permit.

In an emergency, the regular work hours or work days may be rescheduled without prior notice by the District, providing regular work hours shall not exceed eight (8) hours on a scheduled work day. An emergency is defined as a sudden and unforeseen event giving rise to the need for immediate District action to protect the public interest.

The regular work hours or work days of any employee may be temporarily changed in non-emergency circumstances provided those work hours shall not exceed eight (8) hours for field employees or seven and one-half (7½) hours for office employees, with the exception of flexible schedules, on a scheduled work day and,

- a. such alteration of work hours shall be acceptable to the affected employees, or,
- b. the District provides the affected employees at least four (4) days prior notice of the change in work hours or work days.
- 7. Regular hours for the position of Lake Patrol shall be those necessary to adequately maintain the duties of the position recognizing those duties vary with the seasons, and are not necessarily consecutive. Regular hours are to be confined to eight (8) hours per day, except under certain conditions such as when responding to an emergency or a potential emergency condition.

If time worked in any workday exceeds eight (8) hours or a non-workday, those excess

hours are to be reported to the immediate supervisor the following regular workday, and the Lake Patrol's hours within the same workweek may, at District discretion, be reduced by the same number of excess hours.

If regular Lake Patrol employee works excess hours which occur following a regular shift on the last day of a forty (40) hour week, those excess hours may be paid at the rate of time and one-half (1½) or accrued as compensatory time off at the rate of time and one-half (1½) to a maximum of one hundred fifty two (152) hours, at District discretion. Accrued compensatory time off shall be taken after November 30 of the year in which it occurred but before April 1 of the following year.

8. The basic work week shall be considered as five (5) working days of eight (8) work hours each for field employees and seven and one-half (7½) work hours for office employees with the exception of flexible schedules. An exception also applies to Water Treatment Plant Operators.

Work is to be scheduled so that each employee shall not work more than five (5) days in each calendar week, except that the District may require an employee to perform services in excess of five (5) days per week or eight (8) hours per day for field employees or seven and one-half (7½) hours for office employees.

No employee shall be assigned work in excess of sixteen (16) continuous work hours, except for Water Treatment Plant Operators, without providing a non-paid eight (8) hour break at the end of each sixteen hours of continuous work.

Employees shall receive no less than eight (8) hours between shifts. In the event an employee's scheduled shift is extended, the employee shall not be required to return to work for the subsequent shift until eight (8) hours has passed, but will receive pay for the full eight (8) hours. For example:

a. Employee is scheduled to work from 8 a.m. through 5. p.m. Monday through Friday. On Monday, the employee is called out at 10:00 p.m. and does not complete work until 2:00 a.m. on Tuesday. Although employee is scheduled to work at 8:00 a.m. on Tuesday, he/she need not report to work until 10:00 a.m. and will still receive pay for the full eight (8) hour shift.

9. MEALS

- a. Non workday- When the District requires an employee to work on their non-workdays or outside of their regular hours on workdays, and the employee has not been given sufficient notice to enable them to prepare meals, the District will provide meals approximately every four (4) hours therefore, insofar as it is possible for the District to do so. The cost of such meals and a reasonable length of time necessarily taken to consume the meal will be at the District's expense.
- b. Workday- If the District requires an employee to perform work for two (2) hours or more beyond regular work hours, it will provide that employee with a meal and with

meals at intervals thereafter of four (4), but no more than six (6) hours, as long as the work continues insofar as it is possible for the District to do so. The reasonable length of time to consume the meal and the cost of same will be at the District's expense. The Supervisor in charge may dismiss the employee who has worked no more than two (2) hours beyond regular work hours, in which case the employee would only be entitled to one-half (1/2) hour pay in lieu of a meal, or a meal without payment for the time to consume it.

c. Meals provided during overtime hours will be reimbursed at the rate of:

Breakfast \$ 10.00 Lunch \$ 10.00 Dinner \$ 15.00

- 10. Rest and Break Time: The District encourages its employees to take a 15-minute break in the morning and a similar break in the afternoon.
- 11. After each officer or employee is hired and before beginning actual work, they must furnish the payroll department with their Social Security number and fill out certain forms in connection with income tax deductions.
- 12. District will pay employees involved in distribution system installation, maintenance and operations positions, the compensation premiums designated below, provided they obtain certification from the American Water Works Association's approved certification program or California State Equivalent designation as required by the Department of Health Services for Water Distribution System Operators the additional compensation calculated at the following hourly rate:

Employees may submit applications for such vacancies in writing to the District Office. The District need not consider the application of any applicant who does not, in District's estimation, possess the knowledge, skill, efficiency, adaptability and physical ability required for the job for which the application is made.
- 2. In filling vacancies, the District will give consideration to the employee's length of service with the District, and whether the applicants submitting applications for the vacancies possess the knowledge, skill, efficiency, adaptability and physical ability required for the job, among other relevant considerations. Regular employees who apply for consideration of promotion to a higher regular job classification than they currently hold will, if promoted to that position, serve an initial evaluation period of at least six (6) months before becoming a regular employee in that position. F. Grievance Procedure

A "grievance" is a claim by one or more unit members that there has been a violation, inequitable application, misinterpretation or misapplication of a provision of this MOU.

STEP 1: The initial step in the adjustment of a grievance shall be a discussion between the employee and/or his/her designated representative and the grievant's immediate supervisor. A grievance shall be presented within thirty (30) work days of the act or omission giving rise to the grievance, or the date the grievant should have reasonably became aware of the incident which is the basis for the grievance.

The supervisor has ten (10) work days in which to consider the matter before making his/her reply to the appropriate party. The discussion shall take place at such time as <u>not</u> to interfere with the work in progress.

STEP 2: If the Grievance is not satisfactorily settled as provided in Step 1 above, it shall then be reduced to writing by the individual employee and/or their designated representative and presented to the District's General Manager. The written Grievance shall contain all facts pertinent to the case including what conditions of employment the District is alleged to have violated and the correction or action desired. The District's General Manager shall reply in writing within fourteen (14) calendar days after receipt of the Grievance setting forth their position on the matter. If it is determined it would serve any purpose in resolving the Grievance either party referred to in Step 2 may request a meeting with any or all persons involved during the exchange of written documents.

STEP 3: If no disposition is arrived at as provided in Steps 1 or 2, either of the aforementioned parties may within ten (10) calendar days following the General Manager's written reply request a hearing, which shall be held within thirty (30) calendar days of the request, with the District's Negotiating Committee. The party filing the Grievance shall present to the Chairman of the Negotiating Committee a written statement containing all facts pertinent to the case. This Committee shall conscientiously endeavor to effect a settlement with the individual employee and/or their designated representative.

STEP 4: If no disposition is arrived at as provided in Steps 1, 2, or 3, the employee and/or their designated representative may no later than ten (10) days following termination of the hearing or hearings before the District's Negotiating Committee, request the grievance be referred to mediation.

Whenever a grievance is referred to mediation, either the Union or the District may request that the California State Mediation and Conciliation Service refer a state mediator. The mediator shall assist the Parties in the resolution of the grievance in the same manner as that which is normally used in the mediation of interest disputes. Referral to step five shall not occur until a mediator has released the Parties from the mediation process.

STEP 5: If no disposition is arrived at as provided in Steps 1, 2, 3, or 4, the employee and/or their designated representative may no later than ten (10) days following the release of the parties from the mediation process, request a hearing before the Board of Directors of the District. The Request for Hearing shall be in written form and shall be accompanied by copies of any written presentations and responses prepared and used in Steps 2 and 3. The Board of Directors shall then arrange for a hearing, to be held no later than forty-five (45) calendar days of receipt of the request, on the matter in which the Board may request any employee, person or any other party to be present. The employee filing the grievance and requesting the hearing shall have the right to present their grievance, or if they choose, to designate a representative who may present the grievance to the Board of Directors on their behalf. The rules of evidence under California law shall not apply to the hearing before the Board, and the Board in its discretion may limit the time to be used in the hearing. The Board of Directors shall consider fully presentations, discussions, statements and documents presented to it and shall make a decision on the matter. The decision of the Board of Directors of the District shall be final and binding upon the employee and/or their designated representative, and no right to rehearing shall exist. Decisions of the Board will be based upon established Rules and Regulations as contained herein wherever applicable.

G. Miscellaneous

- 1. Operators' Licenses are required of all employees operating District automobiles and automotive equipment. District will pay the license fee (less any Class C license fee), medical exam fee, and provide training for incumbent employees, in obtaining and renewing a Class A license. However, the District will pay a single fee; if retakes are required to obtain the license this cost will be the employee's expense. If needed, District will provide the necessary vehicle used for obtaining the Class A license. Also, subject employee must be insurable by District's insurance carrier. All new hires must satisfy this requirement prior to being hired, or, at District discretion, within the new hires' twelve (12) month initial evaluation period.
- 2. Should an employee fail to maintain the driver's license required for the job, the District may allow the employee up to sixty (60) days to obtain a proper reinstated license, during which time the employee may be assigned "non-driving" duties at the District's discretion.

If, after sixty (60) days, an employee does not possess the appropriate license they may be terminated.

An extension of time may be granted by the Board depending upon the particular circumstances and the District's needs.

The final eight (8) hours of the shift are a sleep shift and are not considered time worked. Operators will be compensated two hours of straight time for the sleep shift. If during the sleep shift, the operator does not receive an uninterrupted five (5) hours of sleep during a normal sleep period due to an alarm call-out, then the operator shall receive pay for the entire eight (8) hour sleep shift. Any work required, during a 24-hour shift, after the first sixteen (16) hours is considered overtime and is paid at the rate of one and one-half (1½) times the SHIFT WORK hourly rate. Any hours worked in excess of Operators regularly assigned shift is paid at the rate of one and one-half (1½) times the operator's hourly rate.

Every twelve (12) weeks, Water Treatment Plant Operators will work a straight time work schedule of forty (40) hours in five (5) days for a period of four (4) weeks. Overtime worked during this scheduled period will be paid at the rate of one and one-half (1½) times the operator's hourly rate.

- 3. HOLIDAYS: Water Treatment Plant Operators are entitled to 8-hour holidays as any other regular full-time employee. Holiday work will be determined by the starting of a scheduled shift on the date of the observed Holiday.

- 4. SICK LEAVE: Should a SHIFT WORK operator be unavailable due to illness, the straight time work operator for that period may perform SHIFT WORK coverage as requested by the Water Treatment Plant Superintendent, after which that person will not return to work for twenty four (24) hours. That operator may work an additional eight (8) hour shift to ensure a forty (40) hour pay period.
- 5. The Water Treatment Plant Operator's hourly rate will be equal to the "HOURLY RATE" for the Range and Step which the operator has attained, as found in Schedule C-1 of District's "Rules and Regulations Governing Employment Conditions, Salaries and Benefits for Employees." Water Treatment Plant Operators shall receive retirement contributions on *scheduled* overtime dollars in the amount of 66.7% of the current District contribution.
- I. Nepotism Policy It is well accepted that employment of relatives in the same area of an organization can cause serious conflicts and problems with favoritism and employee morale. In these circumstances, all parties, including supervisors, leave themselves open to charges of inequitable consideration in decisions concerning work assignments, transfer opportunities, time-off privileges, training and development opportunities, performance evaluations, promotions, demotions, disciplinary actions, and discharge.

In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

It is the District's policy that relatives of persons currently employed by the organization may

It is the District's policy that relatives of persons currently employed by the organization may be hired only if they will not be working directly for or supervising a relative. The current status of employees as of June 30, 2000 will not be affected by this policy.

If already employed, they cannot be transferred or promoted into such a reporting relationship. If the relative relationship is established after employment, the District will decide if a transfer is feasible and who is to be transferred.

In other cases where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment.

For the purposes of this policy, a relative is defined to include spouses, parents, children, brothers, sisters, brothers and sisters-in-law, fathers and mothers-in-law, stepparents, stepbrothers, stepsisters, and stepchildren. This policy also applies to individuals who are not legally related but who reside with another employee.

J. Smoking Policy

The District is committed to a philosophy of good health and a safe work place. In keeping with this philosophy, it is important that the work place and office environment reflect the District's concern for good health. Smoking is therefore not permitted inside District offices, vehicles, facilities or any indoor or enclosed work area, under any circumstances except for the lake patrol housing. Employees who wish to smoke must limit their smoking to break and

lunch periods, and smoke only in areas where there is adequate ventilation to prevent smoke from entering non-smoking areas. Employees who smoke are expected to be considerate of non-smoking employees.

This policy shall pertain to both employees and non-employees. All employees and visitors are expected to follow this policy. Non-employees who are smoking shall be requested, where appropriate, to refrain from smoking.

K. Light Duty Policy

An employee who is temporarily unable to perform his or her complete job duties by reason of industrial disability (Labor Code §3600) may be returned to work and given temporary light duties within his/her ability to perform with or without reasonable accommodations. Clearance to return to work, and any work restrictions, must be supplied by the employee's attending physician in writing prior to the employee returning to work. The duration of any such period of temporary work shall be determined by the District, but ordinarily will not exceed 60 calendar days. During such period, the District may require written certification by the employee's attending physician that the employee's disability is continuing to improve, with a reassessment of any work restrictions.

The employee will be compensated at the rate of pay of his or her regular classification while engaged in such temporary duties provided that, in the opinion of the supervisor, the employee can perform a substantial amount of the essential duties in his or her job description. If the employee is unable to perform the essential duties in his or her job description with or without reasonable accommodations, the District may, if practical, assign the employee temporarily to work in a different job classification, in which case the employee will be compensated at the rate of pay established for that job classification.

Nothing contained in this policy requires the District to offer light duty to an employee who is unable to perform the essential duties of his or her job with or without reasonable accommodations, or to retain an employee on light duty for any period of time.

Nothing contained in this policy restricts the rights or duties of the District or its employees under Workers' Compensation laws, the Fair Employment and Housing Act, the Americans with Disabilities Act, or any other applicable laws.

ARTICLE V Benefits

A. <u>Workers Compensation Insurance</u>

Compensation for on-the-job accidents is provided by District through a Workers Compensation Insurance Plan. It shall be the duty of all officers and employees to make an immediate report of accidental injury while working to their supervisor. Any recurrence of an old injury requiring medical treatment or hospitalization also must be reported immediately. Failure to do so will result in delay of compensation, or more serious difficulties including the possibility of disciplinary action for not reporting in a timely manner. Sick leave (if available) may be used for the initial three (3) days waiting period under an approved workers compensation claim, however, it may not be used to supplement workers compensation benefits for the lost time at work due to an industrial injury or illness.

Workers Compensation - Return to Work

For physical injury claims and stress related claims the District will require a full medical release from the treating physician prior to returning to work.

Employees who are incapacitated because of covered job related injuries or illnesses and cannot return to their prior duties, may be offered vocational rehabilitation if they are medically qualified and able to accept other employment.

B. Social Security

Unless otherwise agreed between the union and the District, the District shall only provide the ACWA Advantage Health Plan, Classic Health Plan, and Account Based Health Plan options, or their closest ACWA equivalents in the event of a plan change or elimination. The parties agree to continue meeting to discuss a transition in health care providers.

Effective January 1, 2019 the District will offer a cash payment to any eligible employee that elects to opt out of District provided health benefits. Any employee wishing to opt out of the District provided health benefits, must first provide reasonable evidence of enrollment in another insurance such as family coverage through a spouse's employer. This cash payment provision shall only apply if an opt out provision is offered by the health insurance company with which the District has contracted at no additional expense.

3. The District shall reimburse the cost of employee flu and poison oak immunizations only, not the cost of associated doctor's visits, unless the immunization is first approved and then obtained through District's recognized physician.

<u>Continuation of Coverage:</u> Employees, their spouses and dependents covered by District health, dental and vision plans may have the right to choose a temporary extension of benefits at group rates, plus a small administration fee, in certain instances where coverage under the plans would otherwise end. Information regarding this extension of benefits (COBRA) is available at the District Office.

The employee or a family member of the employee has the responsibility of notifying the District of a divorce, legal separation, or a child losing dependent status under the plans within thirty (30) days of the change. Employee may be responsible for the additional cost of coverage should this notification not occur. Paradise Irrigation District has the responsibility of notifying the administrators of the plans of an employee's death, termination of employment, or reduction in hours, or Medicare eligibility. When the District is notified that one of these events has occurred, the District will in turn notify the employee that the employee or family member has the right to choose continuation coverage. The employee or family member has sixty (60) days from the date they would lose coverage because of one of the events described above to inform the administrators of the plans that the employee or family member wants continuation coverage.

D. Retirement

A retirement plan is offered to employees who are eligible and who wish to participate. The District contributes to such plan on behalf of the employees in accordance with such plan. Employees not electing to be a part of the retirement plan shall not receive any part of the sum that the District would have contributed to such retirement plan. See "Article III, Section C, Retirement" for information concerning retirement status. The District will contribute 9 % of the employee's base pay to the retirement plan. The District will match any employees' contribution one to one up to a maximum of 3%. - f. For military service.

A leave of absence without pay may be for a period not exceeding one (1) year, except for military service when such service exceeds one (1) year.

*Family Leave: The District will grant eligible employees, with at least one year of continuous service up to 12 weeks of unpaid leave in a 12-month period for family care responsibilities and for the employee's own serious medical condition. The purpose of the family leave is to provide the employee with the right to take time off from work to bond with a child, to care for a family member or to recover from a serious illness without jeopardizing their job. The one-year period in which employees are entitled to take up to 12 weeks of FMLA leave is not a fixed period. The one-year period is determined on a rolling basis at the time an employee requests FMLA leave, the immediately preceding 12-month period will be reviewed to ascertain the employee's remaining leave entitlement. Each time an employee requests FMLA leave, his/her remaining leave entitlement will consist of any balance of the 12-week entitlement which has not been used during the immediately preceding 12 months.

Example 1:

Employee X has the following FMLA leave record:

January 1, 2000: 3 weeks
April 1, 2000: 2 weeks
June 1, 2000: 3 weeks
November 1, 2000: 4 weeks

Employee X requests additional leave on December 1, 2000. Employee X has already used 12 weeks of FMLA leave within the immediately preceding 12 months, and therefore is not entitled to additional FMLA leave as of the date of the request.

Example 2:

Based upon the same leave record, Employee X requests additional leave on February 1, 2001. January 2000 no longer falls within the immediately preceding 12-month period. Employee X is entitled to take up to an additional three weeks of FMLA leave, assuming the reason for the requested leave qualifies for leave under the Family & Medical Leave Act.

Requested leaves must be submitted in writing and be approved in writing by the General Manager before the leave begins. (Leaves over thirty [30] days must also be reviewed by the Board of Directors Personnel Committee.) In cases where it is impractical to submit this request before the leave begins, it shall be submitted as soon as possible after the requested leave begins.

The District will maintain coverage under any group health plan for the duration of the leave (for a maximum of twelve [12] weeks) and under the conditions of coverage that would have been provided had the employee been employed continuously during the leave. If the employee fails to return to work at the end of the leave period, the District has the right to collect the cost of the health benefit premiums from the employee. An employee who returns to work for at least thirty (30) days is considered to have "returned to work".

**Pregnancy Disability Leave (PDL): Any full or part-time regular female employee who is disabled by pregnancy, childbirth, or a related medical condition will, upon written request, be granted a pregnancy disability leave of absence (PDL) without pay not to exceed four (4) months.

An employee who is granted a PDL may utilize any accrued sick leave benefits and earned vacation benefits during the period of her leave. Any portion of the leave that occurs after all sick and vacation benefits have been exhausted shall be without pay.

Group insurance benefits and premium payments ordinarily provided by the District will remain in effect until the end of the month in which the leave terminates. Employees are expected to pay the full costs of these coverages thereafter. Employees are requested to notify the General Manager that arrangements have been made with the Office Manager to pay for the costs of such coverages before the leave(s) begin(s).

Employees who require a PDL must notify their supervisor or the Office Manager in writing as soon as possible. These written notices should specify the commencement date(s) of the leave(s), the expected duration of the leave(s) and be accompanied by a signed physician's statement of disability.

Written extension requests for PDL, not to exceed the four (4) month limitation, must be received by the General Manager prior to the expiration of the approved leave(s) or within three (3) days of an absence. Employees who do not report for work at the end of an approved PDL will be considered to have voluntarily resigned. Employees returning from a PDL shall be required to provide a physician's statement that indicates that they are medically able to return to work.

For employees on PDL, the District guarantees reinstatement to the same or similar job with the same or similar duties, pay, and location unless granting such a leave would substantially undermine the District's ability to operate the business safely and efficiently. Employees on PDL will be credited with all service prior to the commencement of their disability, but not for the period of their disability.

N. Union Leadership and Steward Leave Time

Union Leadership and Steward Leave Time is stand-alone leave time which is not subject to the requirements of the other forms of Leave Time within Article V.

Upon the request of the Union and with the approval of the District Manager, the District shall grant employees, a leave of absence without loss of compensation or other benefits to serve as stewards, officers, or delegates of the Union, or of any statewide or national employee organization with which the Union is affiliated.

The Union request may be for full-time, part-time, periodic, or on an intermittent basis, and shall be specified in the request. Requests shall be made at least two weeks in advance and directed to the Personnel Director unless otherwise agreed to between the District and the Union.

A regular employee appointed or elected to office in the Union which requires all the employee's time shall be granted a Union Leave of Absence, upon request of the Union, for a period not more than six (6) months.

During the leave, the District shall fund the retirement contributions required of the District as an employer and as specified in the MOU. The employee shall earn full service credit during the leave of absence and shall pay his or her contributions as specified in the memorandum of understanding.

The Union shall reimburse the District for all compensation paid to the employee, and any retirement contribution paid by the District towards the employee, on leave unless otherwise specified by the memorandum of understanding. Reimbursement by the Union shall be made within 30 days after receipt of the District's certification of payment of compensation to the employee.

The leave provided under this section shall be in addition to any leave to which public employees may be entitled by other laws or by this memorandum of understanding and shall not serve to invalidate any provision of this memorandum of understanding.

At the conclusion or termination of the leave, the District shall reinstate the employee to the same position and work location held prior to the leave, or, if not feasible, a substantially similar position without loss of seniority, rank, or classification.

The District shall not be liable for any acts committed or omitted, or injuries suffered by the employee which occur during the course and scope of the employee's leave under this section. If held liable, the Union shall indemnify and hold the District harmless for any such acts.

The Union has no obligation to use leave under this section for an employee and may terminate that leave at any time, for any reason.

O. Security

Security is important to everyone. Employees are asked to not discuss the security of the District premises or services with any individual not employed by the District. Additionally, neither the District nor its insurance carriers take any liability for an employee's personal belongings. Employees are encouraged to secure personal belongings to the best of their ability.

Since the District retains the right to search any District property or facility at any time (including employee-assigned desks, files and computer systems), if employees have anything of a private nature they do not want to be subjected to discovery during such searches, these items should be kept in the employees' briefcases, purses or lunch bags.

P. Dress and Grooming Standards

While the PID has no formal dress code, it is expected that all employees will dress in a manner consistent with good business practices. If for any reason an employee cannot dress in accordance with good business practices, or has a question about appropriate dress, the employee should discuss it with his/her managers.

1. Professional clothing is not required on a daily basis.

- 2. Professional clothing should be worn on days when professional contact is expected, including committee meeting days.
- 3. The basic rule is: "nothing too tight, short, ragged or dirty" If in doubt, don't wear it!
- 4. Uniform Policy In the interest of providing for a more uniform and presentable appearance of District employees and more readily identifying District employees servicing the community, the Paradise Irrigation District is supplying uniforms, shirt and pants, for each Meter Shop, Transmission & Distribution, Treatment Plant, and Lake Patrol employee at no cost to the employee. Each employee who is provided a uniform shall wear that uniform while on duty, however, the supervisor may waive this requirement when it is considered impractical. Each employee is responsible for the uniforms supplied to them. The laundry supply company will launder the uniforms, however, those personnel who chose to launder their uniforms themselves are responsible for keeping them clean and in good repair. Employees who lose uniform garments or damage uniform garments through negligent use will be responsible for paying for the replacement of said uniform garments.

To the extent that the budget is not negatively affected some employees may opt to wear denim pants not supplied by the District. The District will reimburse those employees, who chose this option, funds equal to the weekly value of renting uniform pants. Employees who supply their own denim pants must keep them clean and in good repair. No torn or raged pants will be allowed. Those personnel choosing to supply their own pants will be obligated to continue doing so until the next fiscal year.

In the event that too many personnel should chose the option of supplying their own denim pants, thereby causing a unit price increase in uniforms costing the District more money, that option may be discontinued by the District, thereby requiring all personnel to wear the uniform pants provided.

5. Prescription Safety Eyewear

In accordance with District Policy IV-15, the District will provide a reimbursement allowance up to \$200.00 once every two years for the purchase of prescription safety eyewear that meets current OSHA high impact requirements to those employees requiring corrective eyewear. Any and all costs exceeding the \$200.00 allowance for prescriptive safety eyewear shall be the sole responsibility of said employee. Providing a current eye examination and prescription to or from the District authorized provider is the responsibility of the employee and said employee shall incur the costs related to that examination.

6. Safety Toed Boots

In accordance with District established Safety Toed Boot Guidelines, District field employees, including treatment plant personnel and lake patrol personnel are

required to wear safety toed boots. The District will provide those employees required to wear safety toed boots, an annual boot allowance of \$250 to be used for the purchase of new boots or maintenance of existing work boots.

Q. <u>Lakeshore Recreation & Boating Permits</u>

District shall provide to all regular employees of the District free Lakeshore Recreation and Boating permits under the same terms and conditions as such permits are issued to the public. Upon termination of employment the free permits shall lapse with no further force and effect.

R. Seasonal Lake Patrol

Upon completion of three continuous seasons of work, a Seasonal Lake Patrol employee shall be entitled to a pro-rata share of certain regular full time employee benefits (based on annual full time amounts).

ARTICLE VI Discipline

A. <u>Discipline</u>

Violation of District policies and rules may warrant disciplinary action. The District has established a system of progressive disciplinary actions that include verbal warnings, written warnings, and suspension. The system is not formal and the District may, in its sole discretion, utilize whatever form of discipline is deemed appropriate under the circumstances, up to and including termination of employment subject to the terms of the Grievance Procedure.

It is intended that discipline be proposed for corrective purposes and to address deficiencies in work performance and behavior modification. The District expects its employees to carry out District policies and instructions from supervisors without criticizing or undermining those policies and instructions to District personnel, customers or the general public. Derogatory comments about the District, its policies, activities, personnel or governing body while on duty will not be condoned and may constitute the basis for discipline, demotion or discharge. Although an employee may have grounds for disagreement, such disagreement must not be insubordinate, slanderous, or libelous.

B. Prohibited Conduct

The following conduct is prohibited and will not be tolerated by the District. This list of prohibited conduct is illustrative only; other types of conduct injurious to security, personal safety, employee welfare and the District's operations also may be prohibited.

- a. Falsification of employment records, employment information or other District records.
- b. Falsification of any time card.

- g. Wrestling, pushing, throwing objects, horseplay, and other forms of behavior which are, or can be destructive of property or endanger personal safety or the safety of others.
- h. Engaging in criminal conduct whether or not related to job performance.
- i. Causing, creating or participating in a disruption of any kind during working hours on District property.

- j. Insubordination, including but not limited to failure or refusal to follow the instructions of a supervisor or member of management (subject to safe working practices), or the abusive or threatening language toward a supervisor, other members of management, coworkers, or PID customers.
- k. Using abusive language at any time on District premises.
- 1. Failure to notify a supervisor when unable to report to work.
- m. Failure to notify supervisor prior to leaving work for any reason during normal working hours.

- s. Violation of the District's substance abuse prevention program.
- t. Unlawful harassment of any type.
- u. Excessive absences, unexcused absences, tardiness, and abuse of sick leave.
- v. Citation for moving violations in a District vehicle.
- w. Incompetence, including failure to pass on to supervisors or fellow workers information necessary for the proper execution of their duties..
- x. Unsatisfactory work performance, including engaging in personal business during working hours..

This list is not to be construed as all-inclusive, but merely the common causes for disciplinary action.

C. Just Cause

Application of this section shall be equally applied to all employees, and it is the express policy of this District to discipline only for just cause. The elements of just cause are:

- a. The employees had forewarning or foreknowledge of possible or probable disciplinary consequences for violation of the District rule or managerial order or the basis of discipline is so obvious that forewarning or foreknowledge can be inferred.
- b. The rule or managerial order violated was reasonably related to the orderly, efficient, and safe operation of the District.
- c. Determination by the Supervisor in charge or Department Head before administering discipline that the employee did in fact violate the rule or order of management.
- d. The investigation into the charge was conducted fairly and objectively.
- e. Proof indicates the employee is guilty as charged.
- f. The degree of discipline to be administered is reasonably related to the seriousness of the employee's proven offense.
- g. The degree of discipline may also be increased or tempered if mitigation or aggravating factors are present.

These factors include such circumstances as:

- (1) Employee's prior record.
- (2) Prior progressive discipline within a reasonable period of time for the same or similar violation.
- (3) Extenuating circumstances.
- (4) Employee's length of service.
- (5) Provocation leading to a violation.
- (6) Gravity of the consequences of the violation.
- (7) Impact of violation on District customers or the District's efficient operation.
- (8) Attitude of employee (desire and ability to learn from mistakes).

D. <u>Progressive Discipline Procedure</u>

When an infraction occurs, the Supervisor shall consider the elements of just cause. The following steps are not mandatory, and if the infraction is deemed to be sufficiently serious, the Supervisor may recommend more severe discipline.

1. Oral Warnings

An oral warning may be given to the employee regarding his failure to comply with the rule(s) or managerial order and very clearly state what is expected in the future.

- a. The Supervisor shall keep a record of the date, time, and particulars of the conversation;
- b. The employee shall be advised that a record of the oral warning is being kept, and that another warning may lead to more severe action.

2. Written Warning/Instruction

The particulars of the written warning/instruction (date of warning, rule violated, highlights of Supervisor's instructions, etc.) may be stated under "Reason for Warning". The Supervisor may stress again what is expected and what the consequences may be if there is no improvement.

3. Suspension Without Pay

Any single or combination of disciplinary action may be considered as a major infraction. Certain actions by an employee after the elements of just cause have been considered may be so serious as to constitute a major infraction. Suspension without pay may be imposed. However, an employee's rights to a grievance on such action are not impaired.

4. Discharge

Discharge will be considered for major infractions, and/or failure to respond appropriately to prior disciplinary action. Should events compel the General Manager to take immediate action where discharge appears to be necessary, the employee may be immediately suspended for a specific period of time pending an investigation of the circumstances and a hearing based on the findings.

E. <u>Disciplinary Records</u>

Disciplinary records shall be kept as follows:

a. An oral warning shall not be placed into a personnel file and shall remain with the employee's Department Head to be removed following the employee's next scheduled formal evaluation.

F. Demotion

Demotion to a position having a lower salary range may be imposed for disciplinary purposes. Demotions resulting from employee's inability to perform required duties, organizational changes, and layoffs are not disciplinary.

ARTICLE VII Prohibition of Discrimination

The District will comply with applicable state and federal laws prohibiting discrimination.
