4"	500		\$193,783.00	\$120,850.00

Installation of Meter, remote metering device, service lateral, backflow assembly, and town encroachment permit fees charged separately.

LEMO: Labor, Equipment, Materials & Overhead

Actual Cost: Requires Field Service Request and Estimate to be paid in full by Customer. Final amount may vary from original Estimate

Meter Size Changes: Size increases - Difference between fees for the two sizes involved based on fees at the time of the change in size. Size decrease and permanent removal - No Refund.

Note: District retains ownership of all materials. District is responsible for repairs from the main up to and including the meter or PID-maintained backflow prevention assembly only. It is the property owner's responsibility to connect their plumbing at the shut-off valve.

New Development Capacity Fee applies to new water service connections.

Reconnect Capacity Fee applies to existing service connections on parcels where water service existed at one time but has been disconnected.
